- 2.Ryan P -- Got her kip on even bars
- 3.Olivia T -- Got her kip on even bars
- 4.Fallen P -- Got her kip and full
- 5.Brionna E – Got her kip and full
- 6.Shalynn S – Her kip and full & a half.

Congrats ladies! Your time will come!! ❄️

INJURED RESERVE LIST

Now, we take a moment to address our only dark cloud on this newsletter. Two of our finest elite gymnasts are momentarily out of commission: Miranda Kerr, who is slowly recovering from the first of two multiple ankle surgeries she will have to endure in the near future, and then weeks of therapy before the end of the season, and Sam McKenna who is also recovering from a previous broken ankle. We wish them both much success in their time of complex therapy and our heartfelt prayers go out to them and their families. ❄️

HOMESCHOOLED GYMNASTS

As our gymnastics program continues to prosper so does are list of home-schooled gymnasts who are willing to sacrifice a life of public school to pursue their dreams of elite status. We recognize you and your family's great sacrifice and deep desire to want to be the best, and that is why we are committed to giving you the best of what our skilled staff has to offer.

To any new parents and gymnasts who feel homeschooling may be the perfect fit for you and your family, we are offering a \$10 discount off registration fees. So come and join our family. There's no time like the present. We help gymnasts achieve their dreams. ❄️

Pete and our Staff would like to thank our hardworking families for your support during these hard economic times. From our family to yours!

Happy Holidays!
